

### DISPLAY

The large display screen is operated with the Samsung TV remote control.

Switch on/off with the TV remote's red power button.

The screen should be set to HDMI-1 – if it has been changed then use the Source button on the remote to select HDMI-1.

Note that the PC volume is not controlled by the TV remote.

### PC

A **PC** is housed behind the left-hand side of the **display** and must be switched on manually.

If there is no power to the **PC**, make sure that it is switched on at the wall.

### LECTURE RECORDING

There is a fixed web camera with a microphone in this room. Please note that you may have to select this from within the software you are using – for example *ChiPlayer* or *MS Teams*.

For more detailed information and training on lecture recording, and live streaming please contact the Skills team ([skills@chi.ac.uk](mailto:skills@chi.ac.uk))

### VOLUME

First raise the volume on the PC within *Windows* – or on your laptop – before raising the volume on the display.

Use the **VOL ▲** and **VOL ▼** buttons to adjust the **Display** volume.

To mute the volume press the **MUTE** button

### DVD

This room is not fitted with a DVD player. Video content can be live streamed from *Youtube*, or from *Planet eStream*, or from a USB stick.

### TRAINING

To learn how to deliver the best learning experience using the facilities in any of the lecture rooms please contact the Skills Team. [skills@chi.ac.uk](mailto:skills@chi.ac.uk)

This can also be requested in the Self-Service area of the intranet by clicking **Support Me**, then **My IT Training** selecting "**Audio Visual Equipment Training Request**".

### HELP

**For emergency help where there is a fault with the lecture system phone the SIZ on (01243 81) 6222**

For non-emergency enquiries please use the **Support Me** button in the **Self-Service** area on the intranet and select:
