

Chichester Responsive Services – Admission Avoidance

We are a multi-disciplinary team which includes Nurses, Physiotherapists, Occupational Therapists and Rehab and Nursing Assistants. We provide person-centred, time limited, health support to people in their home environments, and if longer term needs are identified, we will signpost patients on to the relevant services.

We are a West Sussex-wide service, working alongside West Sussex GP Practices.

Working Patterns

- On Enquiry to the Team

Travel/Useful Advice:

- Car parking is available in a nearby pay & display carpark, or free in streets a short walking distance away. alternatively Chichester train station is a 2 minute walking distance away.
- You need to provide any hot drinks you require during the day. There is a kettle, fridge and microwave available in the staff room. You can bring lunch with you.
