

Horsham Hospital – Horizon Unit

Horizon Unit is a 38 bedded unit that provides short term rehabilitation for mainly the older population. Individuals are referred for rehabilitation following an acute worsening in their health such as infection, an acute hospital admission for illness or surgery, a fall, an adjustment of complex medication or palliative care. The ward provides a Multidisciplinary service that supports individuals with the aim of regaining independence as much as possible.

Working Patterns

On enquiry to the ward

You are expected to work a variety of shifts to gain 24-hour care experience, including weekends. You will be required to always wear your student uniform with ID badge. A 'bare below the elbow' is strictly enforced – so no nail varnish or jewellery apart from a plain wedding band
