Philosophy	<p>The staff on Botolphs ward recognises that each patient is a unique individual with complex needs. Our vision is to create a friendly environment of support, respect and consideration for all patients, colleagues and visitors. We are committed to providing the best treatment, care and emotional support to patients and their loved ones during the acute and rehabilitation phase of their stroke.</p> <p>Patients will be treated, monitored and cared for by skilled, knowledgeable staff with a strong interest in stroke. All members of the multi-disciplinary team will work closely together to provide up to date, evidence-based care in a welcoming, caring, safe and progressive environment.</p>
