Philosophy

Welcome to Broadwater ward, we all hope that you will enjoy your time here with us.

We will endeavour to help you fulfil your objectives for this part of your placement.

	<p>We are a 27 bedded ward for patients who have fractured their neck of femur. We receive patients from admission via A&E, provide care pre & post operatively and we provide rehabilitation services for patients 24 hours post-operatively until discharge.</p> <p>We have a good team working together towards recovery and rehabilitation of patients who fracture their hips. The staff are friendly and with a good sense of humour.</p> <p>We are highly motivated team and works collaboratively with other members of the multidisciplinary team which aim to provide a speedy recovery and wonderful experience for patients whilst in the hospital.</p> <p>We hope you will enjoy your allocation with us and feel very much part of our team. Together we aim to deliver the highest quality of care, to facilitate this we use a holistic, patient centered, evidence-based approach to care.</p>
